Description

Where architecture meets acoustic intent, **Zintra Baffle Systems HD** bring sculptural design to ceiling and wall applications. Flowing seamlessly from surface to structure, Zintra baffle designs transform noise control into a design feature—delivering bold, 3D forms that play with light, depth, and shadow.

Zintra Baffles HD are a prefabricated system that offer an innovative replacement to traditional mineral fibre lay systems. Available in full and Lite variations, each design includes 32 or 16 prefabricated baffles and ships with five 25mm notched aluminium tubes in a sleek black powder coat finish—also available in 12 vivid powder coat colors to complement any interior palette.

Zintra Baffles HD aren't just sound absorbers—they're architectural statements. Suspend them from ceilings, mount to walls, or create ceiling-to-wall transitions for continuous visual impact.

Knotty features a straight-edged profile punctuated by softened semi-circular impressions—an abstract nod to the natural knots found in timber. This design brings a sense of warmth and tactility, adding character and acoustic performance in equal measure.

With superior NRC performance, Zintra's vertical baffles present increased surface area to the room enhancing sound absorption. Combined with ready-to-install ease and a wide selection of designs, finishes and print options. Zintra Baffle Systems HD deliver flexible acoustic solutions ideal for large noisy spaces like education settings, commercial offices, hospitality venues, or public zones where atmosphere and performance must work in harmony.

Available in 6 designs.

Cove | Knotty | Live Edge | Stacked | Straight | Yin-Yang

All designs also available in a Lite version.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty

5-year warranty. Visit baresque.com.au/warranty for complete details.
